Glen Region, Sports Car Club of America July Sprints SCCA Regional Race

The event was held at Watkins Glen International, with all of the sessions occurring on the "short" 2.45 mile course. The event occurred on July 18th and 19th of 2015. The regional races consisted of eight (8) race groups. The contingency races for the regional were on Sunday. The ProIT race had only one race, which was considered the contingency race. The regional races used a sanction number of 15-RQ-3668-S. The Pro IT race used a sanction number of 15-OGR-3873-S.

On Saturday, the 8 race groups had a morning qualifying of 15 minutes. The day started with a delay of roughly 15 minutes as a passing thunderstorm brought heavy rain and standing water at about 8 AM (cars were expected to roll off at 8:30AM). Many of these qualifying sessions were cut short due to on-track recoveries. Group 2, 3, 5,6, and 7 all had shorter than 15 minute sessions. After the regional qualifying was lunch. The first session of the afternoon was ProIT for a 15 minute qualifying session. After ProIT qualifying, each of the regional groups had a 15 minute qualifying race. The qualifying race grids were set by the morning qualifying times. Group 1 and 3 were shown an early checker, but all other groups ran to the correct time. The results of the qualifying race set the grid for the contingency races on Sunday. On Sunday morning, the first four regional groups ran their 30 minute contingency races. Pro IT followed lunch with a 45 minute race. After ProIT, the remaining groups raced for 30 minutes.

The timing and scoring group was staffed with 10 on Saturday and 9 on Sunday. With the repaving at Watkins Glen scheduled to begin soon, this is the only race the region will run this season. It is far too early to say this, but it was another excellent season for the Glen Region. See you in 2016!
