Glen Region, Sports Car Club of America July Sprints Races

The event was held at Watkins Glen International, with all of the sessions occurring on the "long" 3.4 mile course. The event occurred on July 2nd and 3rd of 2022. The weekend consisted of seven (7) race groups. The races used a sanction number of 22-R-57200 for group one through six, and group 7 used sanction number 22-VINT-58168.

On Saturday morning, each race group had a 20 minute qualifying session. Saturday morning held a threatening forecast, but the rain stayed away until the end of group 5. Group 4 had their session shortened due to an on-track clean-up. After a lunch break, each group had a 20 minute race. Except group 6, all races ran to their full length. Sunday morning started with another qualifying session, with each group getting 15 minutes to post a time. Group 4 had their session shortened due to an on-track clean-up. Afterwards, there was a 25 minute race for each race group. The race grid was based upon a merge of the best time from the qualifying sessions and race one. Group 1 completed their race before lunch. Groups 4 through 7 had their race length shortened only slightly.

The timing and scoring group was staffed with 5 on Saturday and Sunday. We did learn from the WGI Majors last month, and the process of distributing results went much better this time. The whole crew did an awesome job!
